Y. M. C. A. WORK LOCALLY

At Regular Monthly Meeting Reports
 Are Made Showing Constant In-
 crease in Work in Various
 Departments.

The regular monthly meeting of the
 Y. M. C. A. directors convened at the
 local association parlors Tuesday after-
 noon. The meeting was called to order
 by Vice President Prof. F. L. Bartlett.
 Prayer was offered by Dr. H. E. Sloan,
 and Recording Secretary Horner Davis
 read the minutes of the last meeting.
 The reports from the various committees
 showed that the association was taking
 an increased hold on the business men
 as well as the young men in the city.

Religious.
 This committee has met twice during
 the last half of August and have de-
 cided upon plans for the religious work
 of the association.

We have divided the religious work
 into three branches. 1st. Men's meet-
 ings; 2nd. Bible Study; 3rd. Religious
 work for boys. The men's meetings will
 be held Sunday afternoons at 3:30. The
 new feature will be the endeavor to
 have a committee of men from the sev-
 eral churches of the city guarantee the
 support of this meeting by 1st, being
 present themselves; 2nd, getting others
 to attend. This committee will meet
 at 3:00 o'clock, Sundays, a half hour
 previous to the meeting for prayer, con-
 ference and study of the best means to
 get men to the men's meetings.

The religious work committee be-
 speaks the interest of the board in this,
 the largest association effort to reach
 men of Clarksburg for the Christian
 life, to put aside the hour on Sunday
 for this needy work in our midst.

A sub-committee of the religious
 work has had under advisement Bible
 study, and have decided on three
 classes, one for boys, Saturday morning,
 one following the men's meeting and
 one mid-week. The religious work for
 boys is planned for Saturday mornings,
 preceded by Bible study. The boys will
 be taken care of at that time. The
 opening date of our men's meetings is
 planned for Sept. 25, Bible study rally
 day. The opening of our Bible study,
 Thursday evening, Oct. 6.

Submitted, A. K. Thorn, Chairman
Physical.

The physical department activities
 have been largely confined to out door
 work. Tennis is now on in full en-
 thusiasm. Three tournaments have
 been played, one for boys, one for
 younger tennis players, and one for
 the championship series. A total of
 34 entries were enlisted at a small ad-
 mission to each. The boys have arranged
 and played off their entire tourna-
 ment, which was won by Duke Wells.
 The intermediates have played part of
 their series and the championship tour-
 ney has brought to the lists, one doctor
 of medicine, one clergyman, one den-
 tist, four attorneys, two county clerks,
 two wholesalers and two clerks—a good
 set of men, that the association ought
 to be proud to have play under its aus-
 pices.

As the entire supervision of the phy-
 sical department will come under the
 immediate care of our general secretary,
 the physical department committee be-
 speak for him as much held in the reli-
 gious and financial work as the board can
 render to one carrying so much. Class
 work in the gymnasium will start as
 soon as the fall weather sets in. Classes
 for boys and younger men will be held
 and if the secretary can stand the strain
 of all the above a special class for
 business men is proposed, later in the
 fall.

Our department has just been enlarg-
 ed by a few new lockers and the shower
 baths following the exercises prove a
 very beneficial feature.

Submitted, H. E. Sloan, Chairman.
Membership.
 The membership numbers, to date, 157
 48 \$ 5.00 Gymnasium.
 25 10.00 Gymnasium.
 22 10.00 Sustaining.
 50 3.00 Boys.
 12 2.00 Limited.

Of this number a large proportion
 would come under the associate mem-
 bership or members without church af-
 filiations. Plans are in hand to en-
 courage church members to join and to
 enlarge our membership in a good
 healthy growth.

In August we took in six at \$5.00;
 six at \$3.00 and two at \$10.00.

Submitted, J. J. Mead, Chairman.

General Secretary's Report.
 Having now been your general secre-
 tary for nearly a month, I feel I am
 gradually acquiring knowledge of the
 facts and conditions of the associa-
 tion's life, and have set down policies
 that are conservative and that will go
 to make our work successful. 1st.
 Support of the religious work of the
 association by attendance at its meet-
 ings on Sunday and mid-week Bible
 study. The directors' attendance at
 these meetings counts vastly in the
 average young man's mind.

2nd. Let us all rally round the finan-
 cial work and each do our full share.
 This will bring us in touch with the
 work, and as the financial committee
 suggests, work for cash from pledges,
 then get a good business men's backing
 by current expense pledges and cash.
 3rd. Let us keep sacred a day for

directors' meetings, a day that will be
 best for the largest majority.
 The opening of the fall work will
 bring much care and responsibility ap-
 on your general secretary's shoulders.
 The supervision of the physical depart-
 ment alone is a task of its own. This
 with our financial and religious work
 will put a great deal upon one man.
 The co-operation he has had is gratify-
 ing and he asks your prayerful con-
 sideration to see that you can aid him
 as much as lies in the power of each
 director.

Your secretary has been attendant at
 rooms every morning, afternoon and
 evening, daily, since his arrival in the
 city. The rooms have been opened for
 reading on Sunday afternoons. In ad-
 dition to this, he has shown personal
 interest in the financial status and has
 thrown himself unreservedly into the
 work of helping the finance committee.
 He has made a score of visits on persons
 having pledged to the lot and building
 fund to the amount of \$610. \$100.00 of
 this has been paid into settlement bills,
 \$195.00 has been pledged to be paid be-
 fore the 15th, \$100.00 of this has been
 refused on the score of having made no
 pledge, and \$100 will be paid as soon as
 possible and some cash has been handed
 to the treasurer of the building fund.
 Quite a few contributions have been so-
 licited for current expenses, amounts
 list at \$235.00. Cash paid in \$25.00;
 \$145.00 has been pledged to be paid by
 the 15th; \$44.00, October 1st; \$20.00,
 November 1st, and the rest later.

In addition, the Secretary has been
 attendant on three Women's Auxiliary
 meetings, where they assumed the bill
 for reading rooms.
 1st. Financial Committee meeting.
 2nd. Religious Work Committee.
 3rd. Physical Department Committee.
 All for the furtherance of the work
 J. T. MAYLOTT,
 General Secretary.

Boarding House Burglarized.
 The boarding house of Mrs. Allen
 Stewart, on Chestnut street, was visit-

 broke into the cellar and carried away a

 is no clue. It is not known just how
 they gained entrance to the cellar, but
 it is supposed the door had been left
 unlocked.
